# Urgent Care

Accidents don't keep regular business hours, so if you experience an unexpected bone, joint or muscle injury, you can visit the only urgent care center in Tampa Bay specializing in orthopedics.

Our Orthopaedic Urgent Care is open during both regular business hours and extended hours Monday through Saturday at our South Tampa location.

For faster service and lower cost than an emergency room, come to Florida Orthopaedic Institute's Orthopaedic Urgent Care.

### What We Treat

- Broken bones
- Strains and sprains
- Sports injuries
- Foot or ankle injuries
- Shoulder injuries
- Knee injuries
- Hand or wrist injuries
- Back pain

# Q. & A.

**Q. Do I need to make an appointment to be seen at Florida Orthopaedic Institute's Orthopaedic Urgent Care?**

*A. No appointment is necessary, but calling ahead and registering can save additional time. Orthopaedic Urgent Care hours:*
*Monday-Thursday: 8 AM - 8 PM.*
*Friday: 8 AM - 4 PM.*
*Saturday: 8 AM - 3 PM*

**Q. Do you take patients of all ages?**

*A. We accept patients ages two and up.*

**Q. What are the benefits of Florida Orthopaedic Institute's Orthopaedic Urgent Care versus other options?**

*A. You save time and money and will be treated by an orthopaedic provider. Additionally, wait times are typically much shorter than they would be at a traditional urgent care facility or an emergency room.*

**Q. Will my insurance company cover my visit at Florida Orthopaedic Institute's Orthopaedic Urgent Care?**

*A. As with any medical care, it is always recommended that you check with your insurance company to assure coverage.*

**Q. How do I know when to go to Florida Orthopaedic Institute's Orthopaedic Urgent Care instead of scheduling a clinic appointment with the Florida Orthopaedic Institute?**

*A. If you have a sudden injury as the result of an accident, sports, or other intense physical activity, visit our Orthopaedic Urgent Care center. These injuries include, but are not limited to, sprains and strains, broken bones, dislocations, large cuts, swollen or painful joints, and any sudden or severe pain.*

**Q. Do you accept Workers' Compensation?**

*A. Yes. The highly trained and skilled providers and staff at Florida Orthopaedic Institute are committed to helping all Workers' Compensation patients get back on the job as quickly and safely as possible.*

**Q. If I need physical therapy after my Urgent Care, is that available?**

*A. Yes, we provide physical therapy services on-site next door to the Urgent Care facility.*
